

Chicago Society of Oral and Maxillofacial Surgeons
together with the
Illinois Society of Oral and Maxillofacial Surgeons
invite you to attend the

CSOMS Winter Education Program
Sunday, January 24, 2010

Chicago Marriott Oak Brook
1401 W. 22nd St.
Oak Brook, Illinois 60523
Tel. 630-573-8555

Featuring

Richard Monahan, DDS, MS, JD

Department Head, Oral Medicine and Diagnostic Sciences; Division Director, Oral and Maxillofacial Radiology, University of Illinois at Chicago

***CBCT: More than a Panoramic, Less than a Panacea
and
Legal Aspects of CBCT; Facts, Myths and Misconceptions***

Program Goals and Objectives:

Participants will review advantages, disadvantages, clinical applications and common misconceptions of cone beam volumetric technology. Acquisition, manipulation, interpretation and third-party software will be discussed in light of their contributions to diagnostic yield. Participants will review written reports, insurance coding and legal implications.

Michael Miloro, DMD, MD, FACS

Professor and Head, Oral and Maxillofacial Surgery
University of Illinois at Chicago

The Digital Surgical Revolution

Program Goals and Objectives:

This program will highlight the current clinical maxillofacial applications of digital technology. Participants will discuss computer-assisted implantology, orthognathic surgery, and maxillofacial reconstruction. Participants will review case examples of dental implants, trauma, pathology, orthognathics, distraction, and TMJ reconstruction.

**Earn up to 3.5 hours of CE credit for attendance at both sessions.
Attendees will be required to sign in and sign out.**
