

*Kick off the Holiday Season on Chicago's Beautiful Magnificent Mile*

**Illinois Society of Oral & Maxillofacial Surgeons  
Annual Meeting and Education Program**

**Saturday, November 14, 2009**

The Westin Michigan Avenue Hotel  
909 North Michigan Avenue, Chicago

**Guest Speaker:**

**David E. Paquette, DDS, MS, MSD  
Charlotte, North Carolina**

*will present*

**“Miniscrew Placement and Effectiveness from the  
Orthodontist’s Perspective”**

*and*

**“Cleft Palate Treatment without Expanders: Recent Advances Using  
Low Force Low Friction Orthodontics”**

**Program Goals and Objectives:**

This program will provide an overview of the use of temporary orthodontic anchorage devices or “miniscrews” from the perspective of the type of malocclusions that are now brought within the scope of orthodontic treatment. Attendees will learn how to simplify the biomechanics needed to effectively utilize miniscrews and why positioning of the miniscrew is critical to achieve desired end results. Attendees will also review current techniques for treating cleft palate patients and learn how using the Damon System in primary and mixed dentitions has allowed doctors to avoid placing expanders yet achieve the same treatment goals.

**Earn up to 5 hours of CE credit for attendance at all sessions.  
Attendees will be required to sign in and sign out.**

**CE Credit:** Attendees will receive 5 hours of Continuing Education (CE) for attendance on Saturday, November 14, 2009. ISOMS has been designated an Approved PACE Program Provider for educational programs by the Illinois constituent of the Academy of General Dentistry. As such, the formal continuing education programs of this program provider are accepted by AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry. Sponsoring Organization Code # for ISOMS: 214772. Current term of approval extends from May 1, 2008 to Apr. 30, 2011.
