support of research and education*

In 2009, the Oral and Maxillofacial Surgery Foundation celebrates its 50th anniversary. For 50 years, OMSF has been supporting research and education in the specialty. To help celebrate this monumental year, AAOMS has made a generous gift of \$200,000 to the REAP Annual Campaign. In addition, when OMSF raises \$600,000 for REAP by October 1, 2009, AAOMS will contribute an additional \$200,000. That's \$1 million to address the research and education needs of our specialty!

Since its inception in 2005, REAP has raised nearly \$1.1 million, to support research and education in our specialty. OMSF is proud to have provided more than \$9.1 million in support for more than 200 research awards and fellowships.

How can you celebrate OMSF's 50th anniversary? Make your REAP gift today! Your gift will honor the past 50 years and take a step forward into the future. During this 50th anniversary year, each gift is leveraged by AAOMS up to a total of \$600,000. A \$2,000 gift will be like a gift of \$2,660 for more research and education.

With the AAOMS Challenge, there are a million reasons to make a REAP gift.
