The Illinois Society of Oral and Maxillofacial Surgeons is authorized to issue CE credit for educational programs for oral and maxillofacial surgeons. Anesthesia topics suggested by Program Chair James Vaiana, DDS, were approved by the ISOMS Executive Council. IL CE License No. 174000.186 - issued by the IL Department of Financial and Professional Regulation.

Speaker:

Robert C. Bosack, DDS

Board Certified OMFS (Cook County Hospital)

Private Practice, 42 years in Orland Park

Clinical Assistant Professor, University of Illinois

Founding Chair, Dental Patient Safety Foundation

Executive Director, Dental Anesthesia Online

2023 Recipient, ADSA Heidbrink Award

Co-editor, Anesthesia. Complications in the Dental Office, Wiley, 2015

Course Objectives:

- Discuss current and emerging trends related to office based anesthesia in the oral and maxillofacial surgery specialty.
- Communicate current strategies to improve and support patient safety, including patient selection.
- Formulate procedures to assist with the improvement of patient safety related to the delivery of office-based anesthesia for patients with non-routine complications.
- Discuss issues surrounding prolonged anesthesia in the office setting.

NOTE: All attendees must sign in and sign out at the registration table.

CE certificates are issued by email for the number of hours attended.
