THEY WANT THE TOOLS AND SUPPLIES TO SAVE FACES

Injury types and distribution: injuries in war caused by bombs and military rifles include lacerations, injuries to nerves, vessels, and muscles as well as fractures in the head and neck with potential for **volumetric loss of important tissues such as skin, muscle, and bone.**

Head and neck injuries account for 35%+ of injuries but only 20% of resources available

E: Extremity, H: Head/Neck, A: Abdomen, T: Thorax

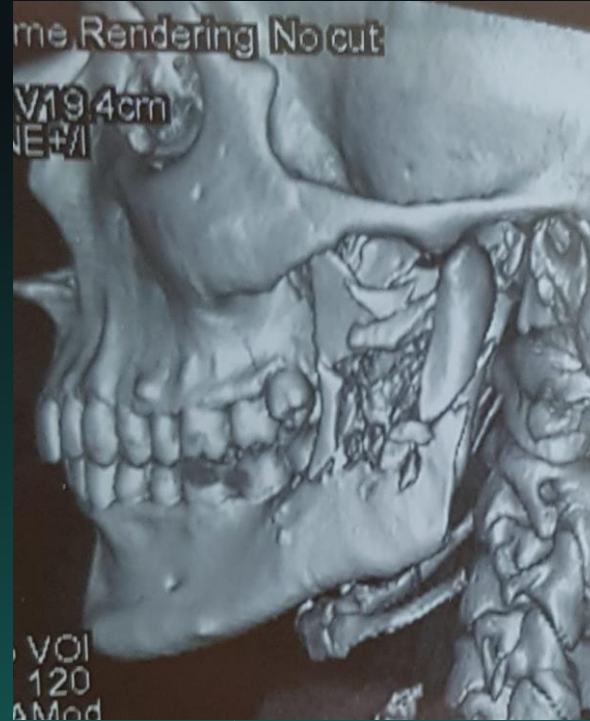

*- Owens, BD et al JOT 2007

#- Masini, B, et al JOT 2009

AS YOU KNOW, PUTIN'S WAR ON UKRAINE IS AFFECTING EACH OF US DIRECTLY OR INDIRECTLY. WHILE THE OUTPOURING OF SUPPORT, BOTH MATERIALLY AND FINANCIALLY IS SUBSTANTIAL, INCLUDING MEDICAL AND SURGICAL SUPPLIES.

THERE IS A PAUCITY
OF SUPPLIES AND
EQUIPMENT FOR
CRANIO-
MAXILLOFACIAL
TRAUMA, WHICH IS
CONSIDERABLE.

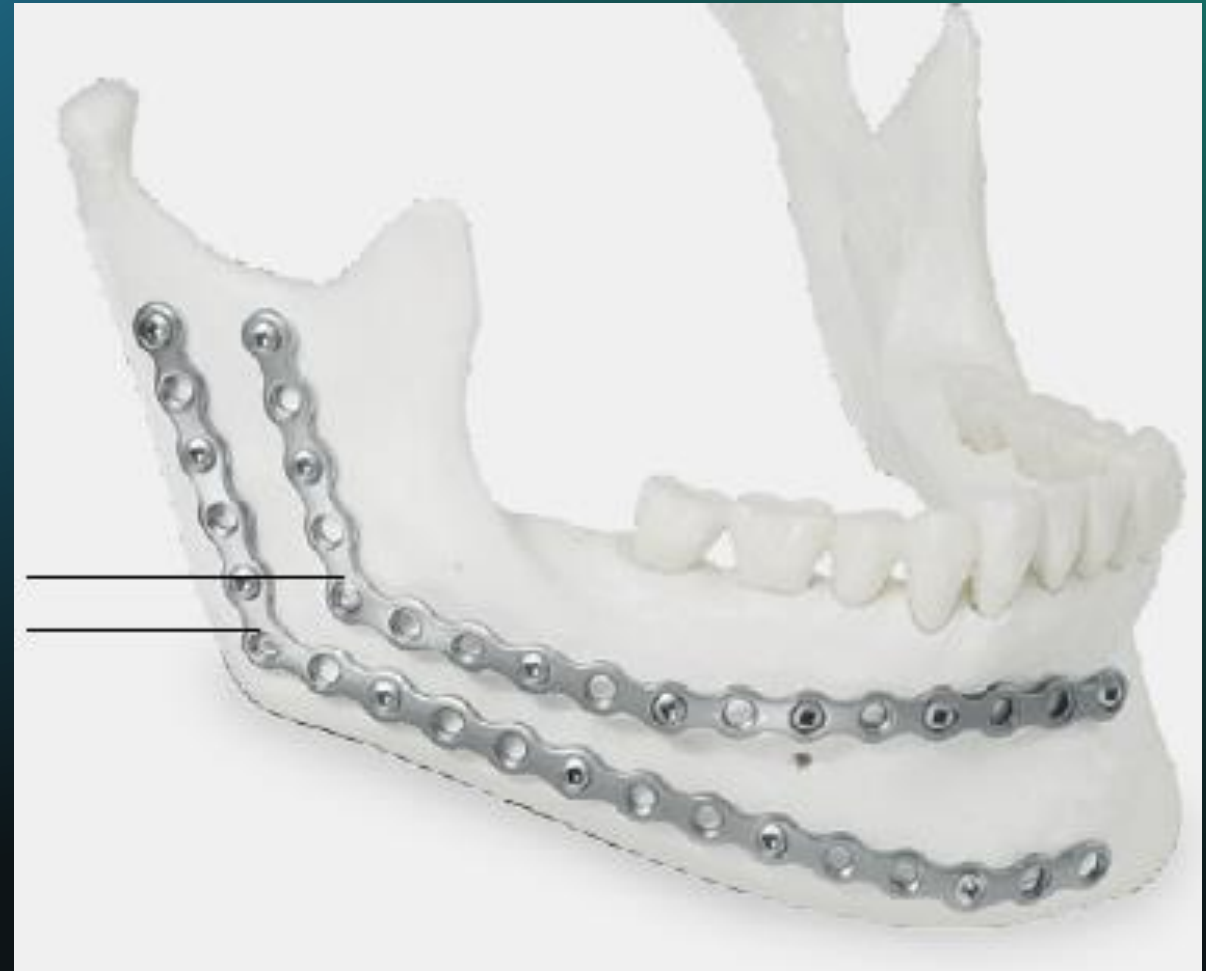

Kyiv attack March 12

THE UKRAINIAN MEDICAL ASSOCIATION OF NORTH AMERICA (UMANA) HAS RECENTLY SENT A 50T SHIPMENT OF MEDICAL DEVICES: (EKG, ELECTROCAUTERY (BOVEY) , STERILE SUPPLIES, ETC.)

Oral surgeons out in the field are directly requesting CMS supplies and equipment.

KLS-Martin Germany has been VERY generous with supplying many supplies so far.

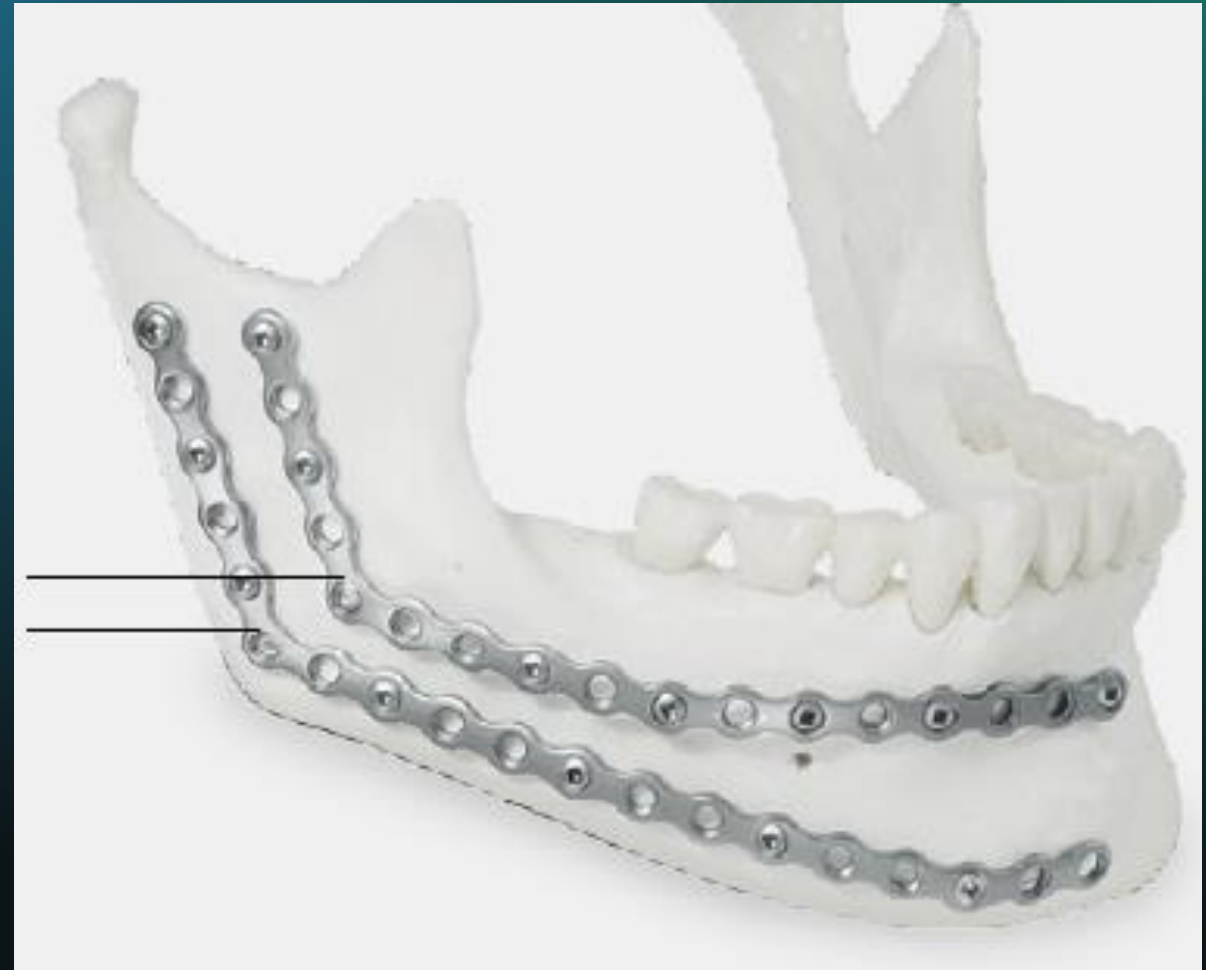

Still needing:

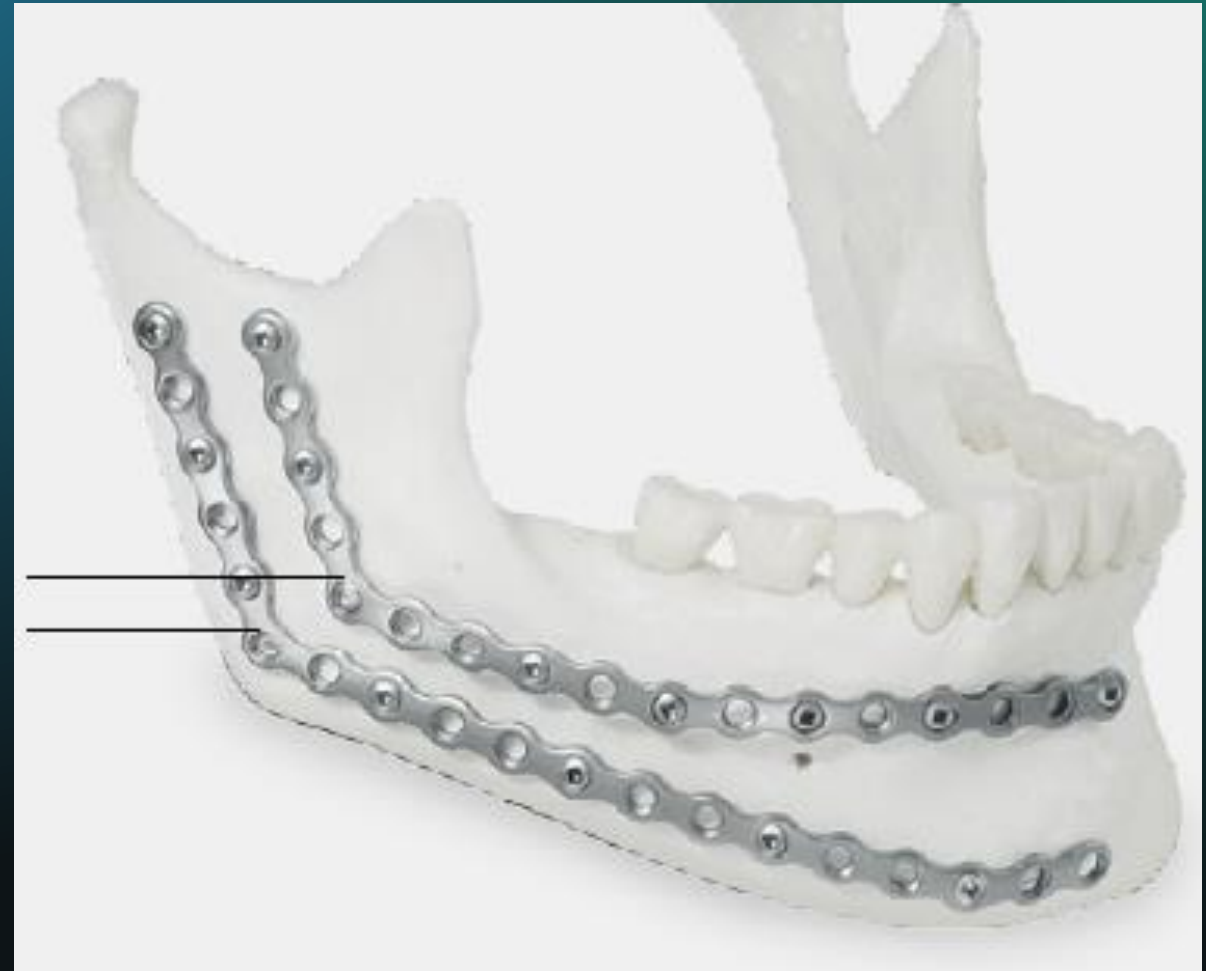

2.0 to 3.0mm reconstruction plates

Twist drills

Screws (especially 2.0mm x . . .

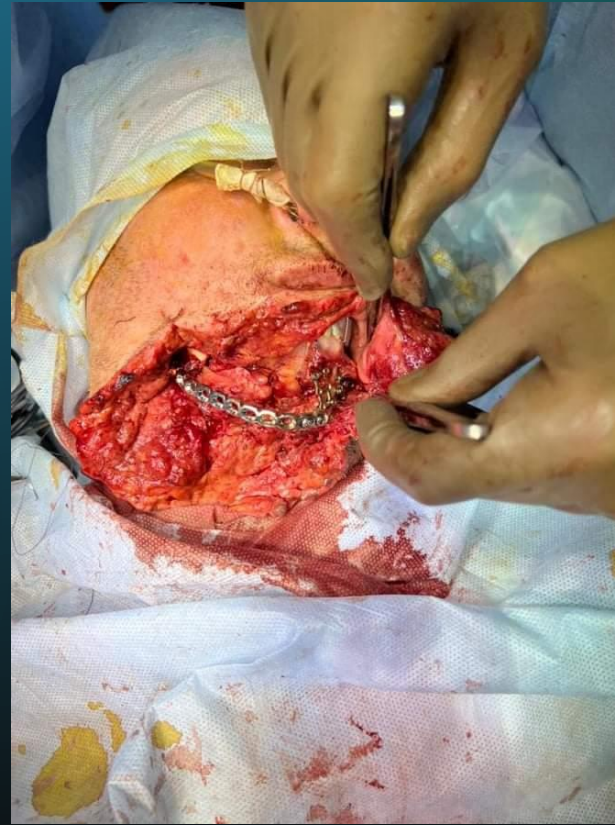

The situation on the ground is fluid. Items will be shipped to Lviv, Ukraine and then distributed to hospitals in Ukraine via tested routes. If necessary, items will be shipped to Poland or Lithuania then into Ukraine.

- PRODUCT IS MORE VALUABLE THAN CASH
- **Special arrangements have been made with KLS-Martin USA for product**

Dnipro attack Mar. 11

Vinnytsia attack Mar. 7
10 year old boy

The Ukrainian Medical Association of North America (UMANA) Foundation is a 501-c-3 charity and can accept donations in the effort to purchase necessary supplies for Oral Surgeons to treat cranio-facial trauma for victims of Putin's war.

Cash donations can be made to the Foundation UMANA.org (501-c-3) for CMF Supplies.

Please specify CMF-UKRAINE in the remarks box.

<https://umana.org/index.php>

Larger donations can help purchase specific sets of supplies, e.g.

- 2.0mm recon plate set \$2854.84
- 2.5mm recon plate set \$3036.30
- bulk 2.0x11mm screws (50) \$2,197.86.

KLS-Martin USA is providing these items at 60% discount to retail

God bless you for your consideration.

Andrew Browar DDS
